* All checking and savings accounts require a \$25 opening deposit. ¹ A monthly inactivity fee of \$3 applies if your account is inactive for a period of one year or more with an account balance of less than \$100. ² Depositors at FDIC-insured banks enjoy deposit insurance protection up to applicable Federal limits. Since FDIC-insured savings accounts are not intended for frequent transactions, Federal requirements limit you to no more than six electronic banking, telephone transfer, or electronic withdrawals per monthly statement cycle. Unlimited transactions are permitted if made by the account holder at an ATM, branch office, by mail, by messenger, or electronically to repay a Union Bank Loan. ³ Modest monthly fee applies. ⁴ With additional benefits for Advantage Banking customers. ³ For non-Union Bank/non-Allpoint ATM transactions, the institution that owns the ATM (or the ATM network) may assess a surcharge. ⁴ Adds 20% to points earned during the month.
